1. ACCEPTANCE OF TERMS.

Seller agrees to be bound by and to comply with all terms set forth herein and in the purchase order, to which these terms are attached and are expressly incorporated by reference (collectively, the "Order"), including any amendments, supplements, specifications and other documents referred to in this Order. Acknowledgement of this Order, including without limitation, by beginning performance of the work called for by this Order, shall be deemed acceptance of this Order. The terms set forth in this Order take precedence over any alternative terms in any other document connected with this transaction unless such alternative terms are: i) part of a written supply agreement ("Supply Agreement"), which has been negotiated between the Parties and which the Parties have expressly agreed may override these terms in the event of a conflict and/or ii) set forth on the face of the Order to which these terms are attached. In the event these terms are part of a written Supply Agreement between the Parties, the term "Order" used herein shall mean any purchase order issued under the Supply Agreement. This Order does not constitute an acceptance by Buyer of any offer to sell, any quotation, or any proposal. Reference in this Order to any such offer to sell, quotation or proposal shall in no way constitute a modification of any of the terms of this Order. **ANY ATTEMPTED ACKNOWLEDGMENT OF THIS ORDER CONTAINING TERMS INCONSISTENT WITH OR IN ADDITION TO THE TERMS OF THIS ORDER IS NOT BINDING UNLESS SPECIFICALLY ACCEPTED BY BUYER IN WRITING.**

2. DELIVERY AND PASSAGE OF TITLE

2.1 All goods ordered shall be subject to inspection or verification by Buyer or its authorized agent a) during the period of manufacture, b) prior to shipment and c) at destination, notwithstanding any prior payment, inspection or terms of shipment. Inspection by Buyer or its authorized agent or failure of Buyer or its agent to make adequate inspection, or acceptance by Buyer shall in no event limit or discharge the obligations of Seller to comply with the provisions of this Order. Payment for any goods hereunder shall not be deemed acceptance thereof. The goods shall be at Seller's risk until delivered to Buyer at the point specified in the Order, unless Buyer agrees otherwise in writing.

2.2 Title to the goods shall pass to Buyer no later than the time of delivery provided that any passing of title shall not prejudice either Buyer's right to reject Nonconforming Goods or any other right that Buyer may have and provided that where advances or progress payments are made, title, but not risk, shall pass to Buyer as soon as items are identified to the Order. All items so identified shall be adequately marked and recorded as being the property of Buyer.

Unless otherwise provided in the Order, all containers and packing supplied by Seller shall be considered as non-returnable and their cost shall be included in the price.

- 3.1 All prices are firm and shall not be subject to change. Seller's price includes all payroll and/or occupational taxes, any value added tax that is not recoverable by Buyer and any other taxes, fees and/or duties applicable to the goods and/or services purchased under this Order; provided, however, that any state and local sales, use, excise and/or privilege taxes, if applicable, will not be included in Seller's price but will be separately identified on Seller's invoice. If Seller is obligated by law to charge any value added and/or similar tax to Buyer, Seller shall ensure that if such value-added and/or similar tax is applicable, that it is invoiced to Buyer in accordance with applicable rules so as to allow Buyer to reclaim such value-added and/or similar tax from the appropriate government authority. Neither Party is responsible for taxes on the other Party's income or the income of the other Party's personnel or subcontractors. If Buyer is required by government regulation to withhold taxes for which Seller is responsible, Buyer will deduct such withholding tax from payment to Seller and provide to Seller a valid tax receipt in Seller's name.
- 3.2 Invoices shall be payable within ninety (90) days from the date a correct invoice is received or approved by Buyer. Unless otherwise requested by Buyer, invoices shall a) be rendered separately for each delivery, b) cover not more than one Order, c) be rendered with the Order number noted thereon, and d) be accompanied by a copy of receipt of transportation charges. If the invoice is subject to cash discount the discount period will be calculated from either the date all goods ordered are received by Buyer or the date the invoice is received by Buyer, whichever occurs later. Buyer may withhold any amounts that are disputed in good faith. Unless specifically agreed otherwise in writing all prices shall be fixed, firm and not subject to any form of surcharge or variation. Progress payments, if agreed are subject to the condition that payment will be made when items have been allocated to the order and title has passed to Buyer, free from any third party claims.

For a period of five (5) years from the date of this Order Buyer shall maintain and preserve and shall cause its sub-vendors to maintain and preserve in accordance with generally accepted accounting practices accurate documentation and data concerning all cost-reimbursable goods or work provided hereunder. At all reasonable times during such period Seller shall permit and cause its sub-vendors to permit the representatives of Buyer to have access to its and their offices and work locations to examine, reproduce

The time stipulated for delivery of the goods in the Order shall be of the essence, and failure of Seller to complete delivery of the Goods herein ordered within the time specified, or within a reasonable time if no time is specified, shall, at the option of Buyer, without liability, in addition to Buyer's other rights or remedies, relieve Buyer of any obligation to accept and pay for any such goods. Without prejudice to Seller's obligation to deliver the Goods on time, Seller shall give Buyer notice in writing immediately if any delay is foreseen. Buyer shall not be required to make any payment in respect of goods shipped by Seller in advance of this specified shipping date until the date specified in this Order for such goods.

5. **INDIRECT AND CONSEQUENTIAL DAMAGES**
